

DENTAL TRANSITIONS TODAY

# Capitalizing on the value of your practice

As a New York State Dental Association member, you are cordially invited to attend this rewarding, fast paced seminar about planning your future. At the event, you will receive vital information about a wide range of topics to assist when considering selling your practice. You will also join leaders in the New York dental community in a lively discussion about the best steps to take when planning your retirement. Contact us today to reserve your spot.

## Topics of discussion

- The value of your practice today
- Should you hold on or sell now
- Critical mistakes to avoid when transitioning
- How to structure your transition
- Understanding how to maximize existing retirement vehicles
- Tax implications to consider when selling
- 100% financing\* available to potential buyers
